Early Years Foundation Stage 2018

Welcome back to our nursery class from last year and a very big WELCOME to our new friends and families who have joined us this term. We hope you will have a very happy and learning-filled year with us. We have an open doors approach so please come and have a chat if you have any questions. We are very busy in the mornings but can take a moment to see you after school or by appointment. We shall issue a weekly home school collaboration letter for both classes. Our whole school approach to learning will be using "Cornerstones"; this provides us with a theme for cross-curricular learning!

Nursery Autumn Newsletter

This term our Cornerstones topic for Nursery Class is 'Why do you love me so much?'. We will be learning about the importance of our families and learning about how and why each of us is unique and lovable!

- We will be sending out a reading book each Thursday or Friday that is to be read to your child. We ask that you make a short note in the comments section so that we know how interesting you found each book.
- Each week we will ask that you carry out a short activity. This term we will ask for pictures of the children with their family and loved ones.
