## Our Value this half term, is Joy!

Let the rooms of our school be full of happiness and excitement in our learning. We believe that joy is not found in things but in abundant life and abundant living. Growing into who God has made us to be is the adventure of a lifetime!

*"For the kingdom of God is not a matter of eating and drinking, but of righteousness, peace and joy in the Holy Spirit"*

Romans 14:17

This year during Anti-Bullying Week we discussed what bullying means to us, how banter can turn into something more hurtful, and what we can do to stop bullying.

Classes from Reception to Year 4 observed an Anti-Bullying Theatre show delivered by OpenView Education. During this educational performance, the children learnt what bullying is and what to do if they witness it. Years 3 to 6 took part in Anti-Bullying workshops in which they role played problematic scenarios, learnt about how to recognise bullying, and identified the difference between banter and bullying.

The children also produced some fantastic work too! Children in Reception were busy making sock puppets, to represent their uniqueness. Our KS1 classes made some excellent posters to raise awareness about the importance of being kind. The KS2 classes wrote pledges and kindness letters to each other.

Congratulations to Matt Laguesma in Year 5, who is the winner of the Anti-Bullying Week Poetry Competition!

### Don't Bully

*Bullies hurt people and they don't let you play*

*They are very annoying and have mean things to say*

*Friends are normal and they play with you*

*They are kind and helpful and say nice things too*

Miss Koltai

- **Transition to Secondary School (Y6 Parents)** - Thursday 23rd May 2024

# ATTENDANCE

School attendance is central to raising standards in education and ensuring all pupils can fulfil their potential. **The government has set a target of 95% attendance for all pupils.** This rate allows for periods of illness or circumstances when absence from schools is unavoidable. We want your child to attend school regularly as this supports their learning. If your child is not well or if you have a planned reason why your child cannot attend school, please inform the school office at the earliest opportunity.

## *Some key attendance facts:*

- Attending 90% of the time or less will have a serious effect on learning.
- One day's absence every two weeks will give 90% attendance.
- Up to the age of 16, 90% attendance will mean losing over a year of school!

## *The school can only authorise any absences in the following circumstances:*

- Genuine illness
- Dental/medical appointments (these should be made out of school hours where possible)
- Close Family bereavement
- Recognised religious observance
- Examination

## *What is NOT acceptable?*

- Caring for a parent or sibling
- Going shopping
- Day trips
- Birthdays
- Bad weather
- Family holidays will not be authorised

# PUNCTUALITY

## *What are the different types of lateness?*

- 1. Late before register closes** your child is a few minutes late.
- 2. Late after register closes** this counts as an unauthorised absence and will show on your child's attendance record. Your child is likely to have missed the start of the lesson.

## *Top Tips for improving punctuality!*

- Make sure you know your child's timetable – work together to make sure they have everything ready the night before e.g. books, PE or swimming kit, uniform!
- Get your child into the habit of doing their homework in the evening – instead of in the morning at the breakfast table.
- Make sure your child has a good bedtime routine so they get plenty of rest and don't struggle out of bed in the morning!
- Try to ensure your child has a good breakfast to set them up for the day – we have a super breakfast club you could use if you need to be at work early.
- If you are finding it difficult to get your child to school on time, talk to a teacher and ask for help!
