

Nursery Curriculum Map Autumn Term

	Topic:		All About Me								Celebrations		
Role Play Areas		Continuous provision- Imaginary Play- Home Corner (inside) Continuous provision- Role play- Hairdressers/Barber shop and Builder's Construction Site (outside)											
	Week 1 & 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	Week 13	
Topic Focus	Home Visits Admin & Prep Day Academic Review Day Phased starts	Myself On Entry Assessment	My family On Entry Assessment	Local journeys On Foot +Journey to School	Local journeys By Rail & Road	Whole school project week	Celebrations – Birthdays Celebrations	- Diwali	Celebrations - Bonfire Night, Remembrance Day	Celebrations - Chinese New Year	Celebrations - Hanukkah	Celebrations - Christmas	
Core Books	Home Visits Admin & Prep Day Academic Review Day Phased starts	Ketchup On Your Cornflakes Dear Zoo	Titch Knuffle Bunny	Shark in the Park Shark in the Park on a Windy Day We're going on a bear hunt	Naughty bus Down by the station	Handa's Surprise	Platypus and the Birthday Party	Diwali information books and videos The Quiet Little Firework	Shark in the dark! Information books and videos	Lanterns and Firecrackers: A Chinese New Year story Goldy Luck and the Three Pandas	Hanukkah Bear	The Nativity Story Oh no! Shark in the Snow	
Nursery Rhymes BBC rhymes	Twinkle Twinkle	Heads, shoulders, knees and toes	Wind the bobbin up	Row, row, row your boat	The wheels on the bus	Jumbo Bwana	Pat-a-cake	5 little fireworks	10 in the bed	The crayon Poem by James Carter	Teddy Bear, Teddy Bear, turn around	Christmas Carols	
Personal, Social and Emotional Dev.M observation checkpoint B-3-year olds.	Ongoing- classroom routines and boundaries. Focus on and consistently reinforce positive models of behaviour, positive models for relationships, thinking space, staff language for dealing with behaviour, child language for dealing with conflict, restorative conversations for resolving conflict. Reward systems: sticky labels with comments written. Dev. M. Observation checkpoint birth- three year olds. Set up and reinforce child self-registration. Activities to develop relationships, making friends, sharing and turn taking, dealing with conflict. Talking about their feelings using words like 'happy', 'sad', 'angry' or 'worried'. Support children to increase independence when selecting activities and resources. Ongoing-Health and self-care skills. Toileting, feeding dressing. Oral health.												

:

Understanding the World	Ongoing- Festivals and celebration of the world, community & culture - Autumn, Harvest, Diwali, Birthdays, Bonfire Night, Chinese New Year. Weekly – environment small world linked to the core book. Using their senses in hands-on exploration of natural materials. Explore collections of materials with similar and/or different properties. Talk about what they see using a wide vocabulary. Begin to make sense of their own life-story and family's history. Explore how things work. Continue developing positive attitudes about the differences between people. Know that there are different countries in the world and talk about the differences they have experienced or seen in photos.		
Core Books	Ketchup on Your Cornflakes Titch Knuffle Bunny Shark in the Park Shark in the Park on a Windy Day We're going on a bear hunt Naughty Bus Down at the Station Dear Zoo Handa's Surprise	Platypus and the Birthday party The Diwali Story The Quiet Little Firework Shark in the Dark! Oh no! Shark in the Snow Goldy Luck and the Three Pandas Hanukkah Bear Lanterns and Firecrackers The Nativity Story	
Visits / Visitors	CL and UW: Small groups in the school grounds, looking at the signs of Autumn		CL and L: Visit the local library Reading: Visitor Book Start Workshop
Physical Development Dev.M observation checkpoint B-3 year olds.	Continuous provision- sand and water and construction. Outdoor Continuous Provision –Outdoor opportunities to move freely, explore surroundings and build independently. Children guided to match their physical skills to tasks, deciding whether to run, crawl, jump or run. Continuous Provision –different materials and tools to develop manipulation and control. Group activities in teams lead by teachers guiding children confidence to be more independent. Large and small motor skills–Daily- dressing and undressing, eating habits Weekly - fine motor skill activities -Finger Gym Weekly – large muscle movements - Busy Feet Continuous provision - Messy play/soft dough activities, painting & chalking on vertical surfaces (easels and walls), waving flags and streamers. Continuous provision using one- handed tools, developing a comfortable tripod grip holding pens and pencils.		
Expressive Arts & Design	Continuous provision- Junk Modelling. Continuous provision- Messy play/soft dough activities. Activities relating to the book of the week – painting, collating, drawing, sculpting. Weekly – rhyme of the week. Daily – rhyme time (sing a selection of tradition and modern nursery rhymes). Weekly-Singing session – Music teacher (listening to sounds, pitch, tone, melody, melodic shape & learning entire songs) Artist focus – Paul Klee (shape and colour).	Continuous provision- Junk Modelling. Continuous provision- Messy play/soft dough activities. Activities relating to the book of the week - painting, collating, drawing, sculpting. Weekly – rhyme of the week. Daily – rhyme time (sing a selection of tradition and modern nursery rhymes). Colour mixing and tints & shades. Weekly-Singing session – Music teacher (listening to sounds, pitch, tone, melody, melodic shape & learning entire songs) Nativity Performance to Parents. Artist focus: Piet Mondrian (colour and shape)	
Computing	Children engage in computing activities in all areas across the EYFS curriculum. Set up the routine-10-minute timer. Basic keyboard and mouse skills.		

	Using the programmes-Busy Things, Poisson rouge, 2 paint a picture.	
Music	Singing nursery rhymes/clapping very basic rhythms on call and response/ listening to live music(visiting musicians once a half term and termly live concert) and recorded music (pop music and Christmas songs)	
R.E	Christianity Concept: Belonging Who am I?	Christianity Concept: Celebration Why is Christmas special?

Nursery Curriculum Map

Spring Term

Topic:		Traditional Tales						All Around Me					
Role Play Areas		Continuous provision- Imaginary Play - Shop (bakery, shoe shop), doctor surgery (inside) (https://childrens.poetryarchive.org/explore/page/4/?form=241) Continuous provision- Role play- Home corner, police station, fire station (outside)											
	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	
Topic Focus Woven throughout the term:	Farm Animals	Food that comes from the farm	Homes Materials and change		Making choices Conflict and resolution, teamwork		Water/ Boats	People who help us – School and wider community		Seasons and the Weather		Easter	
Core Books	The Little Red Hen	The Gingerbread Man	The Three Little Pigs	Goldilocks and the Three Bears	The Three Billy Goats Gruff		Who Sank the Boat? by Pamela Allen	Whatever Next by Jill Murphy Non-fiction: Meet the planets by Caryl Hart		Rechenka’s Eggs by Patricia Polacco Tree: Seasons Come, Seasons Go by Patricia Hegarty		The Easter Story	
Nursery Rhymes BBC rhymes	Old Macdonald had a farm	I am the baker man	London Bridge is falling down	When Goldilocks went to the house of the bears	The goats came marching		The big ship sails on the alley alley oh	Zoom, Zoom Zoom	Hickory Dickory Dock	My Hat! By Tony Mitton	Mary, Mary quite contrary	Five currant buns	
Personal, Social and Emotional Dev.M observation checkpoint 3&4 year olds.	Ongoing- classroom routines and boundaries – Supported with visuals of children demonstrating that rule/routine. Reward systems: sticky labels with comments written. Developing intimate care routines + key person and extended to other familiar adults. Focus on and consistently reinforce positive models of behaviour, positive models for relationships, thinking space, staff language for dealing with behaviour, child language for dealing with conflict, restorative conversations for resolving conflict. Continue with child self-registration. Activities to develop relationships, making friends, sharing and turn taking, dealing with conflict. Model Phrases “Can I have a turn? Or “My turn next.” Helping children develop positive attitudes towards diversity and inclusion. Ask questions and answer children straight forwardly about differences in skin colour, hair colour, gender, special needs and disabilities. Talking about their feelings using more elaborated ways like 'I’m happy because...', 'sad', 'angry' or 'worried because...' Support children to increase independence when selecting activities and resources. Cooking activities planned for relating to rhymes and book of the week. Ongoing-Health and self-care skills. Toileting, feeding dressing. Oral health.												
Communication and Language	Ongoing- Speaking, listening and responding skills. Vocabulary linked to book of the week and topic. Children use speech sounds p, b, m,w. l/r/w/y f/th s/sh/ch/dz/j												

Dev.M observation checkpoint 3&4 year olds.	Introduce words of the week - displayed on vocabulary wall (text and picture). Children encouraged to use Multi-syllabic words such as 'banana' and 'computer'. Children learn words in context. Children develop conversation with teachers and peers. Children given at least 10 seconds processing time when responding to simple questions. 'who', 'what' and 'where' as appropriate. Dev.M observation checkpoint Birth to three year olds can the child use around 300 words, including descriptive language? Are they linking 5 words and using pronouns 'me', 'him', 'she'. Do they follow instructions with three key words? Ongoing-Puppets and small world relating to the core book of the week and topic. Role play areas inside (bakery, shoe shop, doctor's surgery) and outside (Home corner, police and fire station) Daily - days of the week and weather. Makaton practised for frequently used commands such as stop, no, yes, walk, run, sit down, stand up, finished and signs linked to the topic. Weekly rhyme of the week displayed and sung daily. Bank of rhymes kept in a folder for children to return to. Daily talk to extend children's vocabulary and explaining unfamiliar words and concepts from the books that they read. Check understanding and explain new vocabulary when reading books. Daily talk to extend children's vocabulary and explaining unfamiliar words and concepts from the books that they read. Children to be encouraged to feel confident to talk about what is happening in their environment and give their own ideas.		
Literacy – Reading and Comprehension Word Reading Writing	Class reading library with a selection of information, topic and choosing books. Selecting books and handling them with care. Core books & Longer stories that introduce interesting new vocabulary. Core books displayed in class library. Daily - Adults reading to small groups and whole class (story times and at the end of the day). Throughout the day topic books being shared with children (books throughout the environment). Regular sharing of books and discussion of children's ideas and responses throughout the day. Use of books with just pictures to encourage conversations to develop understanding about what is happening. Understanding key concepts about print: print has meaning, print can have different purposes and we read English text from left to right and from top to bottom. Weekly home reading books. Phonics- environmental sounds, word reading (print carries meaning), rhyme, initial sounds, oral segmenting and blending Provide opportunities in the continuous provision for child initiated mark making activities e.g. clipboards outdoors, chalks for paving stones, boards and notepads in the home corner. Adult to act as scribe for description of mark making. Daily - writing the day and date (modelled writing) Choosing independent mark making activities each day linked to core book of the week. Children to use IT to mix marks. Children to trace their name.		
Mathematics	<table border="0"> <tr> <td data-bbox="320 1058 1209 1375"> Daily - Maths songs. Number of the day, days of the week & date, visual time table, times of the day & sequence of the day. Fast recognition of up to 5 objects (subitising). Solve real world mathematical problems with numbers up to 5 Recite numbers past 5. Counting objects with one number for each item (1:1 correspondence). Know that the last number reached when counting a small set of objects tells you how many there are in total (cardinal principle). Link numerals and amounts. Begin to make recognisable symbols to represent numbers. Explore 2D & 3D shapes circles, rectangles, triangles & cubes using own notation and mathematical language. </td><td data-bbox="1209 1058 2110 1375"> Daily - Maths songs. 	Make comparisons between objects relating to size, length & weight. Talk about, identify and arrange patterns. Use spatial words in play 'in', 'on', 'under', 'up' and 'down'. Continuous provision- sand, water and construction. Cooking activities linked to Core books.	Make comparisons between objects relating to size, length & weight Talk about, identify and arrange patterns. Select shapes appropriately i.e. a triangular prism for a roof. Describe a familiar route using spatial words 'besides' and 'between'. Continuous provision- sand, water and construction. Cooking activities linked to core books.
Core books	1,2,3 to the zoo by Eric Carle 5 little ducks went swimming one day Biscuit Bear bears Duck in the Truck Kippers Toy box Anno's counting book Goldilocks and the three	Jack and the beanstalk The doorbell rang I spy numbers Where's my teddy? Anno's counting book
Understanding the World	Ongoing- Festivals and celebration of the world, community & culture- Winter, Spring, Chinese New Year, Valentine's Day, Mothering Sunday & Easter. Ongoing – Vocabulary and language focus linked to core books and children's child initiated explorations. Weekly – environment small world linked to the core book. Using their senses in hands-on exploration of natural materials. Explore natural materials indoor and outdoor of materials with similar and/or different textures. Talk about what they see using a wide vocabulary. Begin to make connections between features of their family history and other peoples family history. Visits to develop children's understanding of different occupations. Explore how things work using mechanical equipment. Continuous provision – Planting, growing seeds and caring for the natural environment. Continue developing positive attitudes about the differences between people. Know that there are different countries in the world and talk about the differences they have experienced or seen in photos. A diverse range of props readily available for children to explore.	
Core Books	In every house on every street by Jess Hitchman Let's build a house by Mick Manning Rosie's Walk by Pat Hutchins You Choose by Nick Sharratt The Little Red Hen The Gingerbread Man The Three Little Pigs Goldilocks and the Three Bears The Three Billy Goats Gruff	The Growing Story by Ruth Krauss National geographic: Weather People who help us series by Rebecca Hunter Acorn Bear The busy body book by Lizzie Rockwell Who Sank the Boat? by Pamela Allen Whatever Next by Jill Murphy The Gruffalo by Julia Donaldson Rechenka's Eggs by Patricia Polacco Tree: Seasons Come, Seasons Go by Patricia Hegarty The Easter Story
Visits / Visitors	Computing: Visitor from Camden Learning Centre (CLC) https://camdenlearning.org.uk/camden-city-learning-centre-clc/	

Physical Development Dev.M observation checkpoint 3&4 year olds.	Continuous provision- sand and water and construction. Outdoor Continuous Provision –Outdoor opportunities to move freely, explore surroundings and build independently. Children guided to match their physical skills to tasks, deciding whether to run, crawl, jump or run. Continuous Provision –different materials and tools to develop manipulation and control. Group activities in teams lead by teachers but increasing being led by themselves. Large and small motor skills–Daily- dressing and undressing, eating habits Weekly - fine motor skill activities (Finger Gym). Weekly – large muscle movements -Busy Feet Continuous provision - Messy play/soft dough activities, painting & chalking on vertical surfaces (easels and walls), waving flags and streamers. Continuous provision using one- handed tools, developing a comfortable tripod grip holding pens and pencils.	
Expressive Arts & Design	Continuous provision- Modelling with junk, clay, soft wood practicing joining methods. Continuous provision- Messy play/soft dough activities. Continuous provision-Pretend play using objects to represent something else. Continuous provision-Flexible open-ended resources for children’s imaginative play. Focus: Drawing skills – detailing body parts, emotions happy/sad Daily- Action Songs & expression relating to topic. Weekly-Music skill sessions (Music Express) Explore a range of sound makers and instruments learning to play them in different ways. Weekly-Singing session – Music teacher (listening to sounds, pitch, tone, melody, melodic shape & learning entire songs) Activities relating to rhymes and core books - – painting, collating, drawing, sculpting. Weekly – rhyme of the week Daily – rhyme time (sing a selection of tradition and modern nursery rhymes) Artist focus - Wassily Kandinsky (colour mixing, line and shape.)	Continuous provision- Modelling with junk, clay, soft wood practicing joining methods. Continuous provision- Messy play/soft dough activities. Continuous provision-Pretend play using objects to represent something else. Continuous provision-Flexible open-ended resources for children’s imaginative play. Focus: Painting skills –colour mixing Daily- Action Songs Action Songs & expression relating to topic. Weekly – rhyme of the week Daily – rhyme time (sing a selection of tradition and modern nursery rhymes) Artist focus: Claude Monet (flowers)
Computing	Children engage in computing activities in all areas across the EYFS curriculum. Basic keyboard and mouse skills. Programmable toys. Using the programmes- Espresso and Simple City.	
Music	Singing 2 songs with actions and pitching with a range of minimum 3 notes up and down/ listening to great composers (Mozart) and live music (visiting musicians once a half term) and recorded music (pop). Playing, creating and exploring sounds using tuned instruments(keyboards, xylophones and glockenspiels)	
R.E.	Christianity Concept: Special What makes us special?	Christianity Concept: Celebration How do people celebrate Easter?

Nursery Curriculum Map Summer Term

	Topic: Tell Me a Story Living Things											
Role Play Areas		Continuous provision- Imaginary Play - (inside) Fruit and vegetable shop, vet, ice cream shop (https://childrens.poetryarchive.org/explore/page/4/?form=241) Continuous provision- Role play- Garden Centre + Cafe (outside)										
	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Topic Focus	Growing Plants (focus-fruit& vegetables)	Where does our food come from?	Life cycles – What animals lay eggs? Living Caterpillars		Minibeasts	Habitats and food chains	Day and Night	Duck/chicken life cycles (care for living things) Living eggs		Animals on Land	Animals in the sea	Dinosaurs
Literacy Core Books	Jasper's beanstalk + Non Fiction	Oliver's Vegetables Oliver's Fruit Salad + Non Fiction	The Very Hungry Caterpillar by Eric Carle +Non-fiction		Aaaarrgghh Spider! The Very Busy Spider +Non-fiction National geographic: Minibeasts	Hungry Harry (Frogs) +Non-fiction	Owl Babies Above and Below (Harriet Evans) +Non-fiction	The Ugly Duckling/ Dora's Eggs +Non-fiction Chickens Aren't the Only Ones The Odd Egg		Leopard's Drum +Non-fiction	Clumsy Crab +Non-fiction	Harry and the Dinosaurs How to grow a dinosaur +Non-fiction
Nursery Rhymes BBC rhymes	Ring a Ring of Roses	Wiggly woo	There's a tiny caterpillar on a leaf	Splish, splash, splosh by James Carter	Incy wincy spider	Five little speckled frogs	Day and Night by Eric Carle	Five Little Ducks	Look at the sneaky crocodile	Down in the Jungle	One, two, three, four, five	Five Little Dinosaurs
Personal, Social and Emotional Dev.M observation checkpoint 3&4 year olds.	Ongoing- classroom routines and boundaries – Supported with visuals of children demonstrating that rule/routine. Children independently remember rules. Reward systems: sticky labels with comments written Developing intimate care routines + key person and extended to other familiar + unfamiliar adults. Focus on and consistently reinforce positive models of behaviour, positive models for relationships, thinking space, staff language for dealing with behaviour, child language for dealing with conflict, restorative conversations for resolving conflict. Continue with child self-registration, children have responsible classroom roles. Activities to develop relationships, friendship, sharing and turn taking, understanding others feel, dealing with conflict. Model Phrases “Can I have a turn? Or “My turn next.” Helping children develop positive attitudes towards diversity and inclusion. Ask questions and answer children straight forwardly about differences in skin colour, hair colour, gender, special needs and disabilities. In small groups children encouraged to safely explore emotions beyond their normal range such as the feeling fear or relief.											

		Support children to demonstrate growth in independence when selecting a wider range of activities and resources to achieve a goal. Resisting helping as appropriate, rather opting to supervise & guide. Cooking activities planned for relating to rhymes and book of the week. Ongoing-Health and self-care skills. Toileting, feeding dressing. Oral health. Dev. Matters observation checklist Birth-3/ 3&4 year olds.
Communication and Language Dev.M observation checkpoint 3&4 year olds.		Ongoing- Speaking, listening and responding skills. Vocabulary linked to core book of the week and topic. Children use speech sounds p, b, m, w, l/r/w/y f/th s/sh/ch/dz/j. Say multi- syllabic words – 'hippopotamus' or 'pterodactyl'. Introduce words of the week - displayed on vocabulary wall (text and picture). Children encouraged to use words in context. Children start conversations with teachers and peers. Express an opinion. Use pronouns 'me', 'him', 'she', plurals & prepositions 'in', 'on', 'under'. Children given at least 10 seconds processing time when responding to simple questions. 'who', 'what', 'where' and 'why' as appropriate. Ongoing-Supporting children to understand two part questions & instructions. Dev.M observation checkpoint 3&4 year olds can the child speak in a sentence using four to six words? Are sentences joined with because, or? Do they use the past tense? For example: 'I went...' Ongoing-Puppets and small world relating to the core book of the week and topic. Role play areas inside (shops and vet) and outside (cafe and garden) Daily - days of the week and weather. Makaton practised for days of the week, weather, colours, and signs linked to the topic. Weekly rhyme of the week displayed and sung daily. Bank of rhymes kept in a folder for children to return to. Daily talk to extend children's vocabulary and explaining unfamiliar words and concepts from the books that they read. Check understanding and explain new vocabulary when reading books. Daily celebration, children talk about the marks they make. Children to be encouraged to feel confident to talk about what is happening in their environment and give their own ideas.
Literacy – Reading and Comprehension Word Reading Writing		Class reading library with a selection of information, topic and choosing books. Selecting books and handling them with care. Core books & Longer stories that introduce interesting new vocabulary. Core books displayed in class library. Daily - Adults reading to small groups and whole class (story times and at the end of the day). Throughout the day topic books being shared with children (books throughout the environment). Regular sharing of books and discussion of children's ideas and responses throughout the day. Adults and children tell long stories to each other based on familiar books. Use of books with just pictures to encourage extended conversations to develop understanding about what is happening. Understanding key concepts about print: print has meaning and how it is read, the idea of a word, spaces before and after words, sentences - full stops and capitals. Weekly home reading books. Phonics- sound discrimination and initial sounds. Rhyme, syllables, words with the same initial sounds & word reading Provide opportunities in the continuous provision for child initiated mark making activities e.g. wipe boards, black boards, clipboards outdoors, chalks for paving stones, boards and notepads in the home corner. Adult to act as scribe for description of mark making. Daily- fine motor activities, handwriting activities. Free drawing & writing on their pictures using some letter knowledge. Daily - writing the day and date (modelled writing) Children write their name on their work or adult writes the name of the child in yellow and child traces over it. Choosing independent mark making activities each day linked to core book of the week. Children to use IT to mix marks. Daily celebration of children's writing from the writing basket. Class books created from visits.
Mathematics	Daily - Maths songs. Calculating the number of the day, days of the week & date, visual time table, times of the day & sequence of the day. Maths vocabulary and visuals displayed. Fast recognition of up to 5 objects (subitising).	Daily - Maths songs. Calculating the number of the day, days of the week & date, visual time table, times of the day & sequence of the day. Fast recognition of up to 5 objects (subitising). Maths vocabulary and visuals displayed

	Solve real world mathematical problems with numbers up to 5 Recite numbers past 5. Counting objects with one number for each item (1:1 correspondence). Changes in amount which involve hiding. Know that the last number reached when counting a small set of objects tells you how many there are in total (cardinal principle). Compare quantities using 'more than', 'fewer than'. Link numerals and amounts. Begin to make recognizable symbols to represent numbers. Explore 2D & 3D shapes circles, rectangles, triangles & cubes using mathematical language to about properties, sharp corner, pointy, curvy. Make comparisons between objects relating to size, length & weight. Talk about, extend and create patterns. Understand position through words alone for example 'off a path', 'down a drain.' Stories read which involve journeys linked + children's experiences for Chn to describe a familiar route. Continuous provision- sand, water and construction. Cooking activities linked to Core books.		Simple mathematical challenges set in small groups with numbers up to 5 and past Recite numbers past 5. Counting objects with one number for each item (1:1 correspondence). Changes in amount which involve hiding. Know that the last number reached when counting a small set of objects tells you how many there are in total (cardinal principle). Compare quantities using 'more than', 'fewer than'. Link numerals and amounts. Begin to make recognizable symbols to represent numbers. Explore 2D & 3D shapes circles, rectangles, triangles & cubes using mathematical language to about properties, sharp corner, pointy, curvy. Make comparisons between objects relating to size, length, weight & capacity Talk about, extend and create patterns. Correct an error in a repeating pattern. Understand position through words alone for example 'off a path', 'down a drain.' Stories read which involve journeys linked + children's experiences for Chn to discuss routes and locations using positional language. Continuous provision- sand, water and construction. Cooking activities linked to Core books.
Core books	Kippers Toy box Room on the broom We're going on a bear hunt Shark in the park Rosie's walk The Gruffalo		The Very Hungry Caterpillar We're going on a bear hunt I spy numbers How do dinosaurs count to 10? What the ladybird heard?
Understanding the World	Ongoing- Festivals and celebration of the world, community & culture- Summer, Birthdays, Ramadan, 'Eid. Ongoing – Vocabulary and language focus linked to core books and children's child initiated explorations. Continuous provision – sand water and construction Weekly – environment small world linked to the core book. Butterfly life cycles (order caterpillars from Insect Lore) Duck or chicken life cycles (order eggs from Incredible Eggs) Using their senses in hands-on exploration of natural materials. Explore & compare natural materials indoor and outdoor of materials with similar and/or different textures and properties. Talk about what they see using a wide vocabulary. Begin to make connections between features of their family history and other peoples family history. Visits to develop children's understanding of different occupations. Opportunities to challenge stereotypes as appropriate Explore how things work using mechanical equipment drawing children's attention to forces. Continuous provision – Planting, growing seeds and caring for the natural environment. Praise given to children showing care and respect for living things in the natural environment. Children taught in small groups the key features of animal & plant life cycles. Continue developing positive attitudes about the differences between people. Know that there are different countries in the world and talk about the differences they have experienced or seen in photos. A diverse range of props, puppets, books & artefacts readily available for children to explore. Display area for children to add to. Children & parents encouraged to participate in 'show & tell'.		
Core Books	The Very Hungry Caterpillar Minibeast non-fiction texts Life cycle non-fiction texts		By day and by night Eric Carle Good Day, Good Night by Margaret Wise brown National Geographic: Day & Night

	Chickens Aren't the Only Ones		Duck/chicken life cycle non-fiction texts
Visits / Visitors	Computing: Visit to the Camden Learning Centre (CLC) https://camdenlearning.org.uk/camden-city-learning-centre-clc/		CL and UW – CHOOSE WHICH IS CLOSE TO THE SCHOOL Visit to Kentish Town City Farm https://kcityfarm.org.uk/ OR Kensington Garden Allotments https://operationfarm.org.uk/hyde-park-community-allotment
Physical Development Dev.Matter S observation check point 3&4 year olds	Continuous provision- sand and water and construction. Outdoor Continuous Provision –Outdoor opportunities to move freely, explore surroundings and build independently. Riding scooters, trikes and bikes. Children guided to match their physical skills to tasks, deciding whether to run, crawl, jump or run. Continuous Provision –different materials and tools to develop manipulation and control. Group activities in teams lead by teachers but increasing being led by themselves. Areas for performance: Children taught to remember sequences and patterns of movement. Large and small motor skills–Daily- dressing and undressing, eating habits. Supporting children to be Increasingly independent in making healthy choices. Weekly - fine motor skill activities (Finger Gym). Weekly – large muscle movements – Busy Feet Continuous provision - Messy play/soft dough activities, painting & chalking on vertical surfaces (easels and walls), waving flags and streamers. Continuous provision using one- handed tools, dominant hand, developing a comfortable tripod grip holding pens and pencils.		
Expressive Arts & Design	Continuous provision- Modelling with junk, clay, soft wood practicing joining methods to express ideas. Use of more complex construction kits. Continuous provision- Messy play/soft dough activities, using their imagination. Continuous provision-Pretend play using objects to represent something else. Continuous provision-Flexible open-ended resources for children's imaginative play. Focus: Sustained Drawing skills – detailing body parts, range of emotions and movement. Daily- Action Songs & expression relating to topic. Weekly-Music skill sessions (Music Express) Explore a range of sound makers and instruments learning to improvise & play with control to express their ideas. Weekly-Singing session – Music teacher (listening to sounds, pitch, tone, melody, melodic shape & learning entire songs) Performance to music. Chn learn simple sequence. Activities relating to rhymes and core books - – painting, collating, drawing, sculpting. Weekly – rhyme of the week. Daily – rhyme time (sing a selection of tradition and modern nursery rhymes). Artist focus: Giuseppe Arcimboldo (Fruit and vegetable pictures)		Continuous provision- Modelling with junk, clay, soft wood practicing joining methods to express ideas. Use of more complex construction kits. Continuous provision- Messy play/soft dough activities using their imagination. Continuous provision-Pretend play using objects to represent something else. Continuous provision-Flexible open-ended resources for children's imaginative play. Focus: Features of artists work across times and cultures Daily- Action Songs Action Songs & expression relating to topic. Weekly-Music skill sessions (Music Express) Explore a range of sound makers and instruments learning to improvise & play with control to express their ideas. Weekly-Singing session –Music teacher (listening to sound, pitch, tone, melody, melodic shape & learning entire songs) Performance to music. Chn learn simple sequence. Activities relating to rhymes and core books - – painting, collating, drawing, sculpting. Weekly – rhyme of the week. Daily – rhyme time (sing a selection of tradition and modern nursery rhymes). Artist focus: Vincent Van Gogh (Day and night + sunflowers)
Computing	Children engage in computing activities in all areas across the EYFS curriculum. Focus: Basic keyboard and mouse skills. Programmable toys. Using the programs- Purple Mash, PB Bears, Espresso.		
Music	Singing songs from around the world. Playing, creating and exploring music using untuned percussion Instruments-Djembe/drum/tambourine. Listening to a range of live music (visiting musicians once a half term and termly live music). Listening to recorded music (world music/ African Music)

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	
English texts and genre	Author Study publication Anthony Browne (Willy the Wimp and Through the Magic Mirror) -Write a retelling -Write a character description -Write a story				SATS assessments Read Roald Dahl's Magic Finger over the next 3 weeks		Whole School Project Week	Narrative - extended stories/ significant authors The Magic Finger (read before unit starts) George's Marvellous Medicine (Roald Dahl) -Write a story -Write instructions -Write a letter			Poetry - Calligrams/ List poems The Works (Paul Cookson) -Write a calligram poem -Write a list poem		
Phonics	Little Wandle programme daily (Spelling Units)												
Story Time	Diary of a Wimpy Kid, Jeff Kinney			Winnie the Pooh, A A Milne				The BFG, Roald Dahl			Pippi Longstocking, Astrid Lindgren		
Poetry recital	Summer Days by Anne English												
Maths	Number: Fractions			Measurement: time				Statistics		Geometry: Position and Direction		Consolidation	
R.E	Islam How do Muslims show commitment to God - Allah?												
Visits / Visitors	Science: Visitor in school from a dentist/dental nurse (staff/parent contact or arrange with school nurse) RE: Visitor in school to talk about Islam (member of staff, parent volunteer etc) OR Visit to Central London Mosque https://www.iccuk.org/page.php?section=education&page=visits#												
Science	Animals, including humans We are learning to describe the importance of hygiene – hand washing	Animals, including humans We are learning to describe the importance of hygiene– brushing teeth	Animals, including humans We are learning to understand the importance of eating the right amount of different types of food	Animals, including humans We are learning to recognise the benefits of exercise	Animals, including humans We are learning to observe the effects of exercise.	Animals, including humans We are learning to explain how humans can stay healthy.		Plants We are learning to find out how plants need a suitable temperature to grow and stay healthy.	Plants We are learning to describe how plants need a suitable temperature to grow and stay healthy.	Plants We are learning to find out how plants need water to grow and stay healthy.	Plants We are learning to describe how plants need water temperature to grow and stay healthy.	Plants We are learning to understand the life cycle of a plant.	
History Significant International	We are learning to know the time and place	We are learning to explain the achievement	We are learning to explain the achievements of Bessie	We are learning to explain the achievements of	We are learning to explain the achievements	We are learning to compare the achievements of		Taught in 1 st half of term					

Achievements	of some Significant events in history	s of Martha Ricks	Coleman and Amelia Earhart	Christopher Columbus	of Neil Armstrong	Christopher Columbus and Neil Armstrong.							
Geography	Taught in 2 nd half of term							We are learning to locate geographical features of Asia on a map	We are learning to locate geographical features of India on a map	We are learning to use aerial photographs to recognise features.	We are learning about what life is like in an Indian village	We are learning about what life is like in an Indian city	We are learning to write a report about the geography of India
Art and design	Collage and Textiles (Nature Collages) We are learning to explore materials by making rubbings.	We are learning to explore fish through art.	We are learning to make a collage.	(Learning to Weave) We are learning to make a box-loom weave.				Digital Media (Expressive Portraits) We are learning to research and respond to artists' work.	We are learning to create an expressive portrait.	We are learning to modify an expressive portrait.	We are learning to create expressive portrait photographs.	We are learning to modify digital photographs	
DT	Mechanical Systems (Vehicles)												
PE	Send and Return Unit 1 and 2 (The PE Hub lesson plans – www.thepehub.co.uk)							Run Jump Throw Unit 1 and 2 (The PE Hub lesson plans – www.thepehub.co.uk)					
PSHCE	Taught in 2 nd half of term							RHSE KS1, Module 2, Unit 2, Session 2 Treat others well... (TT)	RHSE KS1, Module 2, Unit 2, Session 3 ...and say sorry (TT)	RHSE KS1, Module 1, Unit 2, Session 2 Girls and Boys (TT)	RHSE KS1, Module 2, Unit 3, Session 2 Good secrets and bad secrets (TT)	RHSE KS1, Module 2, Unit 3, Session 3 Physical Contact (TT)	
Computing	To explain how music can make us feel.	To identify that there are patterns in music.	To describe how music can be used in different ways.	To show how music is made from a series of notes.	To create music for a purpose.	To review and refine our computer work.		Taught in 1 st half of term					
Spanish	Food	Food	Food	The Weather	The Weather	Retrieval Practice		Family	Family	Feelings	Feelings	The date (Retrieval	

													of days and months)
Music	5.Compose and create: improvising with four notes Performing four note tonesets on pitched percussion	Call and response improvisation within a four note toneset	Learning a four note melody on pitched percussion	Reading and playing using simplified notation	Playing within an ABA musical structure	Performing and improvising within an ABA structure		6.Singing for performance: adding a simple vocal accompaniment Developing pulse and moving in time to the music	Adding body percussion to a song	Building a thicker texture with a chanted ostinato	Building a thicker texture with a sung ostinato	Developing part singing	Performing songs with simple accompaniments
Food Tech	Stuffed potato skins												

Y3 Curriculum Map Autumn Term

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	
English texts and genre	Narrative publication The Frog Prince Continued (Jon Scieszka) -Write a retelling -Write a diary entry -Write a letter				Narrative Grace and Family (Mary Hoffman and Caroline Birch) -Write an advertisement -Write a letter		Whole School Project Week	Narrative Grace and Family -Write a diary entry	Narrative The Julian Stories (Ann Cameron) Comp -Write a retelling -Write a story		Poetry Hot Like Fire (Valerie Bloom) -Write a description -Write a verse of a poem		
Reading Lesson text	The Frog Prince Continued... By John Scieszka				Grace and Family (Mary Hoffman and Caroline Birch)			The Julian Stories (Ann Cameron)				Hot like fire By Valerie Bloom (Poetry)	
Story Time	The Ice Bear (Jackie Morris) Ariki and the Giant Shark (Nicola Davies) A Dollop of Ghee and a Pot of Wisdom (Chitra Soundar) Ada Twist, Scientist (Andrea Beaty)							My Funny Family (Chris Higgins) Classic Fairy Tales (Berlie Doherty) The Little Black Fish (Samad Behrangi)					
Poetry recital	In a Dark, Dark Wood (traditional –anon)												
Maths	Number: Place value			Number: Addition and Subtraction				Number: Addition and Subtraction		Number: Multiplication and Division			
R.E	Christianity Concept: 8 concepts of the Bible What is the Bible's Big Story?							Christianity Concept: Incarnation; Gospel Who is Jesus? (I am statements)					
Visits / Visitors	Science: Visit to Natural History Museum, 'Dino Scene Investigation' workshop https://www.nhm.ac.uk/events/schools-dino-scene-investigation.html Cromwell Road, London, SW7 5BD History: Visit in school from History Off The Page: 'Early Man' workshop www.historyoffthepage.co.uk OR History: Visit in school from Historic Workshops: 'Stone Age' workshop https://www.historicworkshops.com/stone-age-workshop.html Financial skills for learning: Super Supper Challenge educationteam@hsbc.com							English: Visitor in school - Author visit – Valerie Bloom https://valeriebloom.co.uk/tag/school-visit/ Science: Visitor in school from Francis Crick institute, 'Sounds like fun' workshop https://www.crick.ac.uk/partnerships/education-outreach OR Science: Science Museum – Forces focus Wonder Lab https://www.sciencemuseum.org.uk/groups/wonderlab-school-info					
Science	Rocks We are learning to compare and group rocks based on appearance.	Rocks We are learning to compare and group rocks by physical properties (hardness).	Rocks We are learning to compare and group rocks by physical properties (permeability).	Rocks We are learning to understand how rocks change over time.	Rocks We are learning to describe how fossils are formed.	Rocks We are learning to recognise what soil is made from.		Animals including humans We are learning that animals, including humans, get nutrition from what they eat.	Animals including humans We are learning that animals, including humans, need the right types	Animals including humans We are learning to understand the functions of the skeleton.	Animals including humans We are learning to identify and group animals with and without skeletons.	Animals including humans We are learning to understand the functions of muscles.

Science	Animals including humans We are learning to recognise the main body parts that make up the digestive system.	Animals including humans We are learning to understand the functions of the body parts that make up the digestive system.	Animals including humans We are learning to identify different types of human teeth and their functions.	Animals including humans We are learning to investigate how sugar can damage teeth. (Part 1)	Animals including humans We are learning to investigate how sugar can damage teeth. (Part 2)	Animals including humans We are learning to recognise producers, predators and prey.		Animals including humans We are learning to construct and interpret food chains.	Living things and their habitats We are learning to recognise that living things can be grouped in a variety of ways – flowering/ non-flowering plants.	Living things and their habitats We are learning to recognise that living things can be grouped in a variety of ways-vertebrate groups.	Living things and their habitats We are learning to choose criteria that can be used to group living things.	Living things and their habitats We are learning to explore and use classification keys – vertebrate/ invertebrate groups.	
History Ancient Greece	We are learning to know the time and place of Ancient Greece	We are learning to understand Athenian democracy	We are learning to understand the contributions the Ancient Greeks made to maths, philosophy and medicine.	We are learning to describe entertainment in Ancient Greece	We are learning to know about architecture in Ancient Greece	We are learning to explain how have the Ancient Greeks influenced us today		Taught in 1 st half of term					
Geography 1.How do rivers and the coast shape the landscape? 2.What is the weather like around the world?	Taught in 2 nd half of term							1.We are learning to understand what the coast is like	We are learning to understand the different animals and plants at the coast and how people look after the coast	We are learning to describe rivers	We are learning how people use rivers	2.We are learning to understand how weather affects us	We are learning to understand how to record the weather
Art and design	Drawing (Key Skills)	We are learning to draw a	We are learning to sketch an	We are learning to draw	We are learning to			Painting (Land-scapes)	We are learning to colour and	We are learning to compose a	We are learning to paint a	We are learning to paint a	

	and Tech- niques) We are learning to draw homes.	pictorial map.	object from the inside to the outside edge.	portraits using our imagination	design an award.			We are learning about landscapes	texture of paint.	range of landscapes.	landscape using water- colours.	landscape inspired by the Fauve artists.	
DT	Electrical Systems (Torches)												
PE	Basketball (The PE Hub lesson plans – www.thepehub.co.uk)							Outdoor and Adventurous activity (The PE Hub lesson plans – www.thepehub.co.uk) Dance (The PE Hub lesson plans – www.thepehub.co.uk)					
PSHCE in addition to weekly lesson								Whole School Project Week-Equality Studies Anti-bullying Week					
PSHCE weekly lesson	Taught in 2 nd half term							To understand that food gives us energy. (Healthy eating)	To learn that medicines can be used to manage and treat medical conditions such as asthma. (Health and prevention)	To learn about the effects and risks of drinking alcohol. (Drugs, alcohol and tobacco)	To understand that infection can be spread through unclean hands and that handwashing can prevent the spread of infection. (Health and prevention)	To learn that infection can spread through sneezing and coughing and how to prevent this spread. (Health and prevention)	To learn about prejudice and how discrimination can affect people. (Respectful relationships)
Computing Computing systems and networks- <i>The Internet</i>	To describe how networks connect to other networks	To recognise that the internet provides different services	To outline how websites are stored and accessed	To describe the purpose and features of a website	To recognise that online content belongs to its creator	To evaluate whether online information is likely to be reliable							
Spanish	Greeting and phonics	All about me	Colours	Numbers – 1 - 50	Calendar	Seasons		Time	Time	Animals	Animals	Christmas	
Music	1.Start with playing: adding	Folk songs and the major pentachord	Folk songs and the minor pentachord	Building texture with a melodic ostinato	Building texture with a minor	Layering accompaniments under major		2.Singing together : how	How songs tell stories in theatre	Using opera to tell a story	Building and staging a song to	Ensemble storytelling	Sharing stories through

	layers to major and minor songs Major and minor tonality folk songs				accompaniment	and minor folk songs		stories are shared through song Storytelling through song			tell a story	g through song	performance
Food Tech	Bruschetta

Science	States of matter We are learning to recognise the properties of solids, liquids and gases.	States of matter We are learning to compare and group materials – solids, liquids and gases.	States of matter We are learning to investigate how temperature affects the rate of ice melting.	States of matter We are learning to identify how evaporation and condensation are part of the water cycle.	States of matter We are learning to investigate how temperature affects the rate of evaporation.	Living things and their Habitats We are learning to identify and name living things in the local environment. (Part 1)		Sound We are learning to identify how sounds are made.	Sound We are learning to understand how sound travels.	Sound We are learning to find patterns between the pitch of a sound and the object that produced it.	Sound We are learning to find patterns between the volume of a sound and the vibrations that produced it.	Sound We are learning to investigate how the volume of sound changes based on the distance from the sound source.

History The Romans in Britain	We are learning to know the time and place of Roman Britain	We are learning to understand why the Romans wanted to invade Britain	We are learning to understand the challenges the Roman's faced when invading Britain	We are learning to know what a typical town in Roman Britain was like	We are learning to understand why roads were so important to Roman Britain	We are learning to explain the impact the Romans had on Britain	Taught in 1 st half of term				
Geography What is it like to live in a town?	Taught in 2 nd half of term						We are learning to understand the features of a town	We are learning to understand how towns began	We are learning how buildings can be protected	We are learning how towns can be improved	We are learning where our food comes from and how it gets to the supermarket
Art and design	Sculpture (Ramayan a Masks) We are learning to explore facial expressions in masks.	We are learning to explore and draw the characters in The Ramayana .	We are learning to design a mask.	We are learning to construct a mask.	We are learning to decorate our mask.		Printing (Printing with Different Materials) We are learning to make prints on cloths using and object.	We are learning to make string prints.	We are learning to make tube string prints.	We are learning to make plastic clay prints.	We are learning to make prints using polyprint.
DT	Structures (Chinese Inventions)

Y5 Curriculum Map

Summer Term

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	
English texts and genre	Narrative Street Child by Berlie Doherty -Write a persuasive letter -Write a diary entry -Write a balanced argument			Non-fiction Publication Newspaper reports linked to Street Child by Berlie Doherty -Write a newspaper report.		Non-fiction Living things Changes in Nature/Illumi nature by Rachel Williams	Whole School Project Week	Non-fiction cont -Write an explanation text.		Poetry Nature: Poems from a Green and Blue Planet edited by Sabrina Mahfouz -Write a descriptive poem -Write haiku poems -Write a rhyming poem			
Reading Lesson text	Street Child by Berlie Doherty			Newspaper reports – Use First News, The Week Junior, Newsround online articles		Changes in Nature/Illumi nature by Rachel Williams		Changes in Nature/Illuminature by Rachel Williams		Unmentionable by Paul Jennings (short stories)			
Story Time	The Last Wild (Piers Torday) Rooftoppers (Katherine Rundell)							The Unforgotten Coat (Frank Cottrell Boyce) Alice's Adventures in Wonderland (Lewis Carroll)					
Poetry recital	The Listeners by Walter de la Mare												
Maths	Geometry: Shape			Geometry: Position and direction		Number: Decimals		Number: Decimals		Number: Negative Numbers	Measurement: Converting units	Measurement : Volume	
R.E	Sikhi How did the final 5 gurus shape Sikhi							Islam How do Muslims live and embrace their faith in a diverse world?					
Visits / Visitors	Art: Visit to The Victoria and Albert Museum https://www.vam.ac.uk/info/schools OR DT: Visit to the Design Museum - Hands-on design workshop https://designmuseum.org/the-design-museum-campus/schools-and-colleges/hands-on-design-workshops							Science: Visit to Royal Observatory Greenwich, ‘Sun, Earth and Moon’ workshop and ‘Universe on your doorstep’ Planetarium Show https://www.rmg.co.uk/schools-communities/schools/royal-observatory National Maritime Museum, Greenwich, London, SE10 9NF RE: Visitor in school to talk about Islam (staff member or parent volunteer)					
Science	Forces We are learning to explain why unsupported items fall towards Earth.	Forces We are learning to investigate the effects of friction.	Forces We are learning to identify the effects of air resistance. (planning)	Forces We are learning to identify the effects of air resistance. (investigating)	Forces We are learning to identify the effects of water resistance.	Forces We are learning to recognise that levers allow a smaller force to have a greater effect.		Forces We are learning to recognise that pulleys and gears allow a smaller force to have a	Living Things and their Habitats We are learning to describe the life process of reproduction in	Living Things and their Habitats We are learning to grow and make observations of new plants	Animals including Humans We are learning to describe the changes as humans develop to old age.	Animals including Humans We are learning to identify the changes experienced in puberty. (links to RSE)	

							greater effect.	some plants and animals.	from parts of a parent plant.		
History The Mayan Civilisation	We are learning to know the time and place of the Mayan civilisation	We are learning to describe traditional Maya way of life	We are learning to explain Mayan religious beliefs	We are learning to explain what Mayan discoveries tell us about Mayan civilisation	We are learning to explain the collapse of the Maya	We are learning to explain whether the Mayans were an advanced civilisation (comparison with Stone Age Britain)	Taught in 1 st half of term				
Geography What are the key geographical features Kenya and the UK?	Taught in 2 nd half of term						We are learning to describe different landscapes in Africa	We are learning about the landscape in Kenya	We are learning how Kenya is changing	We are learning to locate key features of Wales and England	We are learning to use 6 figure grid references on a map.
Art and design	Collage and Textiles (Working with Wool) We are learning to explore ways to alter cloth.	We are learning to embroider.	We are learning to weave on a twig loom.	We are learning to mark-make with wools.	We are learning to mark-make with wools.		Digital Media (Digital Towns) We are learning to practice and apply digital image-manipulation techniques.	We are learning to use text in Pixlr.	We are learning to create art using printed digital media.	We are learning to edit digital images.	We are learning to consolidate skills and techniques for image editing.
DT	Electrical Systems (Alarms)										
PE	Rounders (The PE Hub lesson plans – www.thepehub.co.uk) Athletics						Tennis (The PE Hub lesson plans – www.thepehub.co.uk)			Swimming – Intensive daily lessons	
PSHCE	Taught in 2 nd half of term						RHSE UKS2, Module 1, Unit 3, Session 1 Body image (TT)	RHSE UKS2, Module 1, Unit 3, Session 3 Emotional	RHSE UKS2, Module 1, Unit 3, Session 4 Seeing stuff	RHSE UKS2, Module 2, Unit 2, Session 1 Under	RHSE UKS2, Module 1, Unit 4, Session 3 Menstruation (TT)

									changes (TT)	online (TT)	pressure (TT)			
Computing Programmin g B- <i>Selection in quizzes</i>	To explain how selection is used in computer programs.	To relate that a conditional statement connects a condition to an outcome.	To explain how selection directs the flow of a program.	To design a program which uses selection.	To create a program which uses selection.	To evaluate my program.		Taught in 1 st half of term						
Spanish	The Weather	Food	Food	Spanish in the World	Spanish speaking countries	Retrieval Practice		Ways of transport	Professions	Routines and Time	Routines and Time	Instruments /Music		
Music	5.Compose and Create: composing a minor melody on a stave 1.Identifying major and minor tonalities	Minor melodies and the minor pentachord	Reading the five note minor pentachord scale	Reading and playing minor melodies	Composing and notating a minor melody	Reading and performing minor melodies		6.Singin g for perform ance: syncopa tion in songs What is syncopati on?	Singing and playing syncopate d rhythms	Layering syncopate d rhythms to accompa ny a song	Syncopate d rhythms in jazz	Creating and rehearsin g a syncopate d performa nce - building a tight ensembl e	Syncopati on performa nce and reflection	
Food Tech	Falafel Pittas													

Y6 Curriculum Map Autumn Term

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	
English texts and genre	Narrative Skellig-David Almond publication -Write a description of a setting -Write a diary entry -Write a newspaper article						Whole School Project Week	Biographies Nelson Mandela/Barack Obama -Write a biography		Narrative October, October, - Katya Balen -Write a persuasive letter -Write a balanced argument			
Reading Lesson text	Skellig (David Almond)							Biographies Nelson Mandela/ Barack Obama		October, October, - Katya Balen			
Story time	If You Find This (Matthew Baker) A Story Like the Wind (Gill Lewis)							Stay Where You Are and Then Leave (John Boyne) Blackberry Blue (Jamila Gavin)					
Poetry recital	The Eagle by Alfred Lord Tennyson												
Maths	Number: Place Value		Number: Addition, Subtraction, Multiplication and Division					Number: Fractions				Measurement: converting units	
R.E	Christianity What might the journey of life and death look like from a Christian perspective?							Christianity Concept: Creation Can science and religion work together? Reference: CGWF resource					
Visits / Visitors	History: Visit to the Imperial War Museum, ‘We Were There: Ask Questions About Conflict’ learning session https://www.iwm.org.uk/visits/iwm-london/schools/learning-sessions Lambeth Rd, London, SE1 6HZ OR History: Visit to the RAF Museum: ‘Air Raid!’ Workshop. https://www.rafmuseum.org.uk/london/schools/school-activity-programme/ Financial skills for work: World of Work educationteam@hsbc.com PE and PSHE: Residential visit to PGL in Liddington http://www.pgl.co.uk/en PGL Adventure Centre Liddington, Foxhill, Swindon, Wiltshire, SN4 0DZ OR Sayer’s Croft, Surrey https://active.westminster.gov.uk/sayers-croft/							Science: Visitor in school - Science Off the Page, ‘Predators and Prey’ workshop https://www.historyoffthepage.co.uk/ Geography: Hyde Park – Terrific Trees and Carbon (the role of trees in climate change) https://www.royalparks.org.uk/learn/schools/sessions-parks/primary-ks1-ks2#sustainability					
Science	Living things and their habitats We are learning to describe how and why living things are classified.	Living things and their habitats We are learning to classify plants.	Living things and their habitats We are learning to classify animals. (vertebrates)	Living things and their habitats We are learning to classify animals. (invertebrates)	Living things and their habitats We are learning to classify micro-organisms.	Living things and their habitats We are learning to investigate the growth of micro-organisms.		Evolution & Inheritance We are learning to recognise that living things have	Evolution & Inheritance We are learning to recognise that fossils provide evidence of evolution.	Evolution & Inheritance We are learning to recognise that living things produce offspring of the same	Evolution & Inheritance We are learning to understand how plants are adapted to their environment.	Evolution & Inheritance We are learning to identify how animals are adapted to their environment.	

							changed over time.		kind but are normally not identical.		
History The impact of World War Two on London	We are learning the time and place of World War Two	We are learning to explain the impact of evacuation during World War Two	We are learning to understand how the British government and public managed shortages during World War Two	We are learning to explain the impact of the Blitz on London during World War Two	We are learning to explain the impact of World War Two on daily life in London	We are learning to explain the impact of World War Two on daily life in London	Taught in 1 st half of term				
Geography What are the different climates and biomes around the world?	Taught in 2 nd half of term						We are learning to understand how Earthquakes and volcanoes are formed.	We are learning how landscapes are created	We are learning about micro climates	We are learning about different biomes	We are learning to understand how pollution is affecting the climate
Art and design	Drawing (Key Skills and Techniques) We are learning to draw pictorial maps.	We are learning to create a town-scape collage.	We are learning to draw people in action	We are learning to explore texture in natural forms.	We are learning to create an image featuring contrasting patterns and shapes.		Painting (Still Life) We are learning about still life paintings.	We are learning to create a still life composition	We are learning to explore colour and tone in painting.	We are learning to explore the effects of colour in painting.	We are learning to arrange and draw a still life composition
DT	Structures (Building Bridges)										
PE	Basketball (The PE Hub lesson plans – www.thepehub.co.uk)						Dance (The PE Hub lesson plans – www.thepehub.co.uk)				
PSHCE in addition to weekly lesson							Whole School Project Week- Equality Studies Anti-bullying week Workshop-Modern Day Slavery Workshop-Anti radicalisation Citizenship day-including using London transport safely				
PSHCE weekly lesson	To recap how to keep ourselves healthy. (Physical health and fitness)	To explain some of the health benefits of being active. (Physical)	To learn about the risks associated with using different drugs,	To learn what is meant by privilege. (Respectful relationships)	To learn to identify and critically evaluate current hair beauty stereotypes.	To learn about the different sources of health information and how we	Taught in 1 st half of term				

		health and fitness)	including tobacco and nicotine products, alcohol, solvents, medicines and other legal and illegal drugs. (Drugs, alcohol and tobacco)		(Respectful relationships)	make informed decisions. (Health and prevention)							
Computing Programming A – <i>Variables in games</i>	To define a 'variable' as something that is changeable	To explain why a variable is used in a program	To choose how to improve a game by using variables	To design a project that builds on a given example	To use my design to create a project	To use my design to create a project		To review an existing website and consider its structure.	To plan the features of a web page.	To consider the ownership and use of images (copyright)	To recognise the need to preview pages.	To outline the need for a navigation path.	To recognise the implications of linking to content owned by other people.
Spanish	Greeting and phonics	All about me	Where do you live	Numbers – 1 - 1000	Calendar	Calendar		Sports	Hobbies and travel	Holiday hobbies	Story	Christmas	
Music	1.Sing, play, perform: accompanying songs with polyrhythms Syncopation in songs	Syncopated rhythms	Introducing polyrhythm	Layering rhythms	Creating polyrhythms	Polyrhythmic accompaniments		2.Singing together: music that comments on social change Civil rights songs and the power of repetition	Sharing emotion through song	Sharing important issues through music and song	The importance and power of songs from the past	The differences of rap and beat poetry	Singing for the change we want to see in the world
Food Tech	Cheesy leek parcels												

Y6 Curriculum Map Spring Term

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	
English texts and genre	Narrative Goodnight Mr Tom – Michelle Magorian -Write a diary entry. -Write an original narrative. -Write a chronological report -Write an explanation text						Whole School Project Week	Non-fiction Black and British by David Olusoga -Write a non-chronological report -Write a non-chronological report -Write a persuasive letter				Creative Writing Alma (short film) -Write a story that creates suspense	
Reading Lesson text	Goodnight Mister Tom							Non-fiction Black and British by David Olusoga					
Story Time	Shakespeare Stories (Leon Garfield) The Other Side of Truth (Beverley Naidoo)							Arthur. The Seeing Stone (Kevin Crossley-Holland) Where the River Runs Gold (Sita Brahmachari)					
Poetry recital	The River by Valerie Bloom												
Maths	Number: Ratio		Number: Algebra		Number: Decimals			Number: Fractions, Decimals, and percentages		Measurement: Perimeter, area and Volume		Statistics	
R.E	Buddhism What does it mean to be a Buddhist?							Christianity Concept: Salvation How does the Christian festival of Easter offer hope?					
Visits / Visitors	History: Visitor in school - History Off the Page – Homefront 1940s workshop https://www.historyoffthepage.co.uk/ OR History: Visitor in school – Historic Workshops – World War II workshop https://www.historicworkshops.com/ww2-workshop.html Theatre visit- West End Production (Booking agreed with Head of School and Y6 teacher)							RE: Visit to parish church for Stations of the Cross Computing: Visitor from Camden Learning Centre (CLC), ‘Co spaces– 3D creations workshop https://camdenlearning.org.uk/school-improvement/camden-learning-centre/					
Science	Animals, including humans We are learning to identify the main parts of the circulatory system and describe the function of the heart.	Animals, including humans We are learning to describe the function of blood.	Animals, including humans We are learning to describe the function of blood vessels.	Animals, including humans We are learning to describe how nutrients and water are transported in humans.	Animals, including humans We are learning to investigate heart rate. (planning)	Animals, including humans We are learning to investigate heart rate. (investigating)		Animals, including humans We are learning to understand what is meant by a balanced diet.	Animals, including humans We are learning to recognise how diet affects the way the body functions.	Animals, including humans We are learning to recognise the benefit of exercise on how the body functions.	Animals, including humans We are learning to recognise the impact of drugs on how the body functions.	Animals, including humans We are learning to identify other lifestyle factors that impact how the body functions.	

History Historical study of London post World War 2	We are learning to know the time and place of London post World War 2	To understand the problems Britain faced after World War 2	To know and understand the difficulties faced by the Windrush settlers	To understand what life was like in London during the 1950's	To understand the changes to life in London between the 1940's and 1950's.	To understand the changes to life in London between the 1940's and 1950's.		Taught in 1 st half of term				
Geography How has land use changed over time?	Taught in 2 nd half of term							We are learning to understand how land is developed	We are learning how old sites can be re-developed	We are learning how transport can be controlled	We are learning how transport affects the environment	We are learning why areas should be conserved
Art and design	Sculpture (Wire Figures) We are learning to sketch figures in motion.	We are learning to sculpt with wire.	We are learning to construct an armature.	We are learning to model form.	We are learning to paint our sculptures. We are learning to review and evaluate our work.			Printing (Victorian Patterns) We are learning to explore Victorian patterns.	We are learning to design a motif for a pattern.	We are learning to print using a Victorian inspired pattern.	We are learning to select a colour scheme.	We are learning to colour and arrange our design.
DT	Electrical Systems (Fairground)											
PE	Gymnastics Unit 1 and 2 (The PE Hub lesson plans – www.thepehub.co.uk)							Football (The PE Hub lesson plans – www.thepehub.co.uk)				
PSHCE in addition to weekly lesson								Whole School Project Week- Keeping Safe Studies Workshop- Growing against violence -Anti-gang work Workshop-Internet safety				
PSHCE weekly lesson	To learn about mental health; what it means and how we can take care of it. (Mental wellbeing)	To learn about how feelings and emotions are affected and can be managed at changing, challenging or difficult	To identify different tactics someone might use to manipulate another person online. (Online	To explain what to do if someone tries to pressure or manipulate them. (Online relationships)	To begin to identify risks and risky behaviour. (Being safe)	To learn the importance of good sleep. (Health and prevention)		Taught in 1 st half of term				

		times. (Mental wellbeing)	relationships)									
Computing Creating Media – <i>Webpage creation</i>	Taught in 2 nd half of term							To review an existing website and consider its structure.	To plan the features of a web page.	To consider the ownership and use of images (copyright)	To outline the need for a navigation path.	To recognise the implications of linking to content owned by other people
Spanish	My family - Possessive determinants	I have - Pets/ animals	Our bodies	Clothes	Clothes	Retrieval Practice		School	Pencil case	Around my home	My town	Easter Celebrations
Music	3.Compose and rehearse: improvising with the minor pentatonic scale Improvisation and the minor pentatonic scale	Playing the D minor pentatonic scale	Playing a minor pentatonic jazz melody	Improvising a phrase using the D minor pentatonic scale	Improvising longer phrases using the D minor pentatonic scale	Creating and performing an improvised jazz piece		4.Playing together: arranging and rehearsing a fusion performance Fusion and the evolution of musical styles	Fusing and layering rhythmic patterns	Melody in fusion music	Combine: 4.Practising repetitive cells for a fusion performance 5.Fusing together and arranging musical ideas	Performing, listening and responding to each other
Food Tech	Royal Rice											

Y6 Curriculum Map Summer Term

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	
English texts and genre	Narrative poem The Lady of Shalott- Lord, Alfred Tennyson -Write a diary entry -A verse for a poem				KS2 Tests	Speech writing -Write a speech	Whole School Project Week	Narrative Wonder- R.J. Palacio -Write a non-chronological report -Write a short story					
Reading Lesson text	Narrative poem The Lady of Shalott- Lord, Alfred Tennyson				Narrative Wonder – R.J. Palacio			Narrative Wonder- R.J. Palacio (continued)					
Story Time	Pig Heart Boy (Malorie Blackman) Secret Friends (Elizabeth Laird)							Journey to the River Sea (Eva Ibbotson) Where do you go, Birdy Jones? (Joanna Nadin)					
Poetry recital	The Witches extract from Macbeth by William Shakespeare												
Maths	Geometry: Properties of Shape			Geometry: position and direction	Consolidation, Investigations and preparations for KS3			Consolidation, Investigations and preparations for KS3					
R.E	Christianity Concept: Incarnation; Kingdom of God How has the Christian message survived for over 2000 years? Reference: CGWF resource							Universal What does it mean to live well together? Reference: CGWF resource					
Visits / Visitors	PSHCE: Visit to Houses of Parliament ‘Adventurers tour of Parliament’ https://www.parliament.uk/education/ PSHCE: Visit to Junior Citizenship Day Computing: Visitor from Camden Learning Centre (CLC), ‘Programming B – Sensing (using BBC Microbit) workshop’ https://camdenlearning.org.uk/school-improvement/camden-learning-centre/							Science / Geography: Visit to Kew Gardens, ‘KS2 Evolution and Adaption’ (science) OR ‘KS2 habitats: rainforest’ (geography) sessions https://www.kew.org/kew-gardens/school-visits/browse-sessions/key-stage-2					
Science	Light We are learning to explain how we see things.	Light We are learning to apply understanding of how light travels to explain how a periscope works	Light We are learning to understand that white light is made of many colours and these can be separated out	Light We are learning to identify the variables that affect the size of a shadow	Light We are learning to carry out a fair test to investigate shadow size	Light We are learning to give examples to explain the way that light behaves.		Electricity We are learning to represent a simple circuit in a diagram and describe how it works	Electricity We are learning to use a switch in a simple electrical circuit, show it in a diagram and describe how it works	Electricity We are learning to demonstrate the effects of changing the current flowing through components in a circuit	Electricity We are learning to demonstrate the effects of changing the current flowing through components in a circuit	Electricity We are learning to demonstrate how circuits can be represented in, and constructed from, diagrams	
History	We are learning to	We are learning to	We are learning to	We are learning to	We are learning to	We are learning to		Taught in 1 st half of term					

Crime and Punishment	know the time and place of crime and punishment in Britain	understand crime and punishment in Medieval England (1000-1500AD) <i>Middle Ages Witches capital/corporal punishment/humiliation</i>	understand crime and punishment in Early Modern Britain (1500-1600AD) <i>Tudors Religious crime, capital/corporal punishment/humiliation</i>	understand crime and punishment in the Georgian Period (1700-1800AD) <i>The rise of highway robbery and the Bloody Code</i>	understand crime and punishment in the Victorian Era (1800-1900) <i>Sir Robert Peele and the police force and prison reform</i>	explain how punishment of crime in Britain has changed over time (1000AD – 1900AD)						
Geography	Taught in 2 nd half of term						We are learning about the Amazon region	We are learning what it is like to live in the rainforest and why it is so important	We are learning how to protect the rainforest	We are learning about the climate of South East Asia	We are learning how land use in Singapore has changed	We are learning how Singapore is planning for the future
Art and design	Collage and Textiles (Manipulating Fabric and Collaborative Collages) We are learning to explore ways to manipulate fabric.	We are learning to wave on a card loom.	We are learning sky and sea techniques using collage materials.	We are learning to work collaboratively to create a collage.			Digital Media (Digital Collages) We are learning to create a digital collage.	We are learning to create a collaborative collage.	We are learning to create and edit a digital collage background.	We are learning to create and edit a digital collage background.	We are learning to add text to a digital collage.	
DT	Structures (Bird House Builders)											
PE	Cricket (The PE Hub lesson plans – www.thepehub.co.uk) Athletics						Tennis (The PE Hub lesson plans – www.thepehub.co.uk) Outdoor and Adventurous Activity (Y6 residential)					
PSHCE in addition to weekly lessons												
PSHCE weekly lesson	Taught in 2 nd half of term						RHSE UKS2, Module 2, Unit 2, Session 2	RHSE UKS2, Module 1, Unit 2, Session 2,	RHSE UKS2, Module 1, Unit 2, Session 3	RHSE UKS2, Module 1, Unit 4, Session 1	RHSE UKS2, Module 1, Unit 4, Session 2	

GCSE Computing								GCSE English					
								Do you want a piece of cake (TT)	Session 2 Girls' bodies (TT)	Boys' bodies (TT)	Making babies (part 1) (TT)	Making babies (part 2) (TT)	
Computing Data and information - <i>Introduction to spreadsheets</i>	To create a data set in a spreadsheet	To build a data set in a spreadsheet	To explain that formulas can be used to produce calculated data	To apply formulas to data	To create a spreadsheet to plan an event	To choose suitable ways to present data		Taught in 1 st half of term					
Spanish	Spain and other countries	Spanish culture	Food	Food	The Weather	Retrieval Practice		Ways of transport	Spanish history	Routines and Time	Routines and Time-Using adverbs	Professions	
Music	5.Compose and Create: creating melodic variations based on a theme Theme and variation as a musical structure	Learning a musical theme	Composing a rhythmic variation to a theme	Composing a melodic variation to a theme	Composing a further variation to a theme	Practising and performing composed variations on a theme		6.Singing for performance: conveying emotion and character through performance Controlling our voice to convey the feeling of a song	Balancing harmony lines in songs	Characterful singing	Articulation and vocal quality when singing	Effective rehearsal for a singing performance	Reflecting on a successful performance
Food Tech	Cheesy courgette muffins
